

**RESOLUTION NO. 0524 2017-02**

**ALTERNATIVE FUEL EXEMPTION**

**WHEREAS** the Washington state legislature has mandated that effective June 1, 2018, all local government subdivisions of the state are required to satisfy one hundred percent of their fuel usage for operating publicly owned vessels, vehicles, and construction equipment from electricity or biofuel; and

**WHEREAS** RCW 43.19.648(2)(c) authorizes local governments to elect to exempt police, fire, and other emergency response vehicles, including utility vehicles frequently used for emergency response, from the electricity and biofuel usage requirement; and

**WHEREAS** the Board of Commissioners has determined that it is the best interest of the District to formally exempt all District owned fire and emergency response vehicles from the electricity and biofuel usage requirement;

**NOW, THEREFORE, BE IT RESOLVED**, by the Board of Commissioners of North County Regional Fire Authority (NCRFA) that all District owned fire and emergency response vehicles are hereby exempt from the electricity and biofuel usage requirement established under RCW 43.19.648.

**Adoption:** ADOPTED by the Board of Commissioners of NCRFA, Snohomish County, Washington, at an open public meeting of such Board on the 24<sup>th</sup> day of May, 2017, the following Commissioners being present and voting:

**ADOPTED** by the Board of Commissioners of the North County Regional Fire Authority (NCRFA) at a regularly scheduled meeting held May 24, 2017.
